

Erasmus Plus App

Welcome to the knowledge base for the Erasmus+ App!

The Erasmus+ Mobile App is a students' single point of entry into the Erasmus+ programme. The App will provide a broad range of information, tools and services to help students plan and carry out their exchange, supporting a first rate mobility experience.

Read more on the role of the Erasmus+ Mobile App in the European Student Card Initiative [here](#).

The updated Erasmus+ App has been launched at the end of 2020 and is available via [Google Play](#) and [Apple Store](#).

It was further updated during 2021 and the beginning of 2022, adding support for digital European Student Cards and the ability to let students apply for their Erasmus mobility directly through the App based on the data from the Inter-institutional Agreements.
