Erasmus Without Paper

Welcome to the **Erasmus Without Paper (EWP)** space of this knowledge base.

The purpose of this wiki space is to:

- provide information and recommendations about the EWP and
- explain how to make use of the EWP Network on a Higher Education Institution level.

To get more information about EWP please click to the menu here, and then use the page tree on the left to navigate between the menu pages.

About	Functionalities	How to join	Resources	EWP FAQs	Contact

If you would like to get **more information** about the elements of the Erasmus+ digital mobility management infrastructure, you can click to the spaces here.

Do you require help or technical assistance?
Contact the Helpdesk

Provide seamless access to mobility management services and tools

Click on the link above and discover how you and your students can securely log in to these tools using your academic credentials.

Use the Erasmus Dashboard as free solution for managing student mobility

Tool for universities not using in-house or commercial software.

Promote the Erasmus+ App as main gateway for mobile students

Publish events and deals or add useful information to the Erasmus+ App mobility journey.

Exchange information with your partners

Connect to Erasmus Without Paper and exchange data along with exchanging students in the framework of Erasmus.

Technical profile?

If you have a technical profile, you can check the specific resources for developers:
