## Erasmus Goes Digital Thessaloniki

On 5 November the [Aristotle University of Thessaloniki](#) welcomed the **Erasmus Goes Digital conference** that focused on the updated Online Learning Agreement in the context of the European Student Card Initiative's digital roadmap.

You can relive the event by following the recording [here](#) and can find the presentations [here](#).

The conference illustrates the novelties in the Online Learning Agreement platform and the LA template in the upcoming Erasmus+ Programme and also features the live demos of the recent updates. The event also outlines the synergies with other projects, such as the [Erasmus Without Paper Network](#) and [MyAcademicID](#), striving to establish a digital infrastructure that enables a secure and seamless exchange of data and authentication solutions for mobile students across Europe.
