

Some details about my HEI are incorrect

In order to assure that we are only using official and up to date information, all the data in the Erasmus Dashboard is in line with the [Erasmus Charter for Higher Education holders list](#) and we are working together with the DG EAC to make sure the latest updates are integrated on the platform.

We are thus **not able to add Erasmus Charter for Higher Education holders for 2021-2027 before the call results are officially published by the European Commission.**
