Step-by-Step Guide

The Erasmus Dashboard is a glimpse into the future of student mobility in Europe. The Dashboard is the simplest and most convenient way to manage the LAs of Erasmus+ exchange students; it connects directly with the OLA as well as the Erasmus+ App to provide you a number of free services.

Coordinators can use **this quick guide** on how to get started, find information and share knowledge.

Introduction to the overall infrastructure in the video below:

Abbreviations

- **ECHE** – Erasmus Charter for Higher Education
