

Students Applications

3. Students Application via the Erasmus+ App

Students just need to follow the step-by-step process to finalise their application.

First, they should fill in their academic details e.g. their Home HEI and Faculty to see the relevant partnerships available for them.

The screenshots show the Erasmus+ app interface. The top navigation bar includes a menu icon, a profile icon, a question mark, a bell, a heart, and a plus sign. Below the navigation bar are four tabs: Erasmus+ Journey, Before application, During Application, and Before you go.

They can learn more about the potential Host HEIs as they browse through the potential options and rank by their preference.

Students can see the Home and Host HEI requirements and actually submit their applications.

Afterwards, students can expect to be notified on any changes in their Application.
