

# War in Ukraine - Student Support Centre

In response to the dramatic events unfolding in Ukraine, we have developed a portal to provide information about assistance offered by Higher Education Institutions to students fleeing the war. If you would like to help us broadcast how your University is stepping up and making a difference please follow the instructions below and share information about the initiative to make sure the information can help those in need.

## Step-by-step guide

To add or update information about your institution, please follow these steps:

1. Go to <https://www.erasmus-dashboard.eu/account/login> and log in (Step 1a). If your institution is not registered yet, create an account on <https://www.erasmus-dashboard.eu/institution/registration> (Step 1b).
  - a. **Log in** with your email and password.
  - b. **Register**: Only one main institutional account needs to be created per HEI (please remember to use an institutional email address), which can then nominate other staff members to use the Dashboard. Once your main institutional account has been validated by the European University Foundation, you will receive an email. For more information see [this article](#).

The image shows two screenshots of the Erasmus Dashboard interface. The left screenshot is the 'Erasmus Dashboard' landing page, which includes a description of the tool, a note about login credentials, and buttons for 'Login' and 'Registration'. The right screenshot is the 'Login' form, featuring fields for 'Email' and 'Password', a 'Login' button, and a 'Forgot password?' link. Below the login form is the 'Institution registration' form, which includes fields for 'Contact phone - institution', 'Contact email - institutional', 'Institutional website', 'Select country of institution', '(City) select a country first', and '(Institution) select a city first'. It also has a checkbox for 'I have read and agree to the Privacy Policy and Terms and Conditions' and a 'Register' button.

2. Once you are logged in, you will be directed to the starting page of the Dashboard. On this page under the 'My University' section, you will find 'Ukraine'.

The image shows a screenshot of the Erasmus Dashboard 'My University' section. It features a sidebar menu with the following items: 'General info', 'Accounts and Access', 'Organizational Units', 'My settings', 'Covid-19', 'Ukraine', and 'Logout'. The 'Ukraine' item is highlighted with a yellow box.

3. On the Ukraine page, fill out the information for your institution in the designated fields and save. You can always update information as the situation evolves.
