

Erasmus Goes Digital: summer webinars

Mark your calendar: **16th of June** there is a new Erasmus Goes Digital webinar.

The programme differentiates between [EWP Dashboard](#) users and users with an [inhouse/third party](#) solution.

Tentative programme:

11:00 - 12:30: updates for EWP Dashboard users

- Welcome and update by EAC
- [Practical tips for using EWP Dashboard](#)
- [Update about the ESCI Service Desk](#)
- [EWP Dashboard improvements under the surface](#)
- [Your views on EWP: survey analysis](#)
- [Interoperability reinforcement plan](#)

Recording of the webinar is available on the [ESCI YouTube channel](#).

13:30 - 15:00: updates for users with inhouse/third party software

- Welcome and update by EAC
- [Your views on EWP: survey analysis](#)
- [Interoperability reinforcement plan](#)
- Q&A

Recording of the webinar is available on the [ESCI YouTube channel](#).

Registration will be available soon via this page.

Missed the previous Spring sessions? You can find a recording of the session on [YouTube](#).
