

Save the Date - EWP Town Hall meeting - 22 August 2022

We are pleased to announce the date for the first EWP+ Town Hall meeting, on the 22nd of August at 2pm CEST (GMT+1). This forum will be part of a set of actions to ensure that no end-user is left behind. See more information about the Interoperability Reinforcement Plan [here](#).

Because feedback and end-user input are critical in the roll-out and efforts to continuously improve the Erasmus Without Paper Network, we introduce the concept of Town Hall Meetings.

How is it different from a webinar? **Town Halls are about your questions and thoughts.** A bottom-up platform where we open the floor for discussion on the most pressing topics.

Have a question? We invite you to ask it! Please fill out the registration form [here](#).

The Town Hall will be livestreamed, and the recording will be available on the [ESCI YouTube channel](#).

Follow the EWP network on [LinkedIn](#) and [Twitter](#) for regular updates. We are looking forward to seeing you on the 22nd of August!
